All Dogs Gym & Inn

Completed in July 2002, All Dogs Gym & Inn is a 25,000 sq. ft. state-of-the-art dog activity and training center. All Dogs Academy is enormously proud of its facilities. Regardless of your interests in the pet care industry, All Dogs Gym is the place to learn. Students will enjoy and benefit from the following:

Grooming Facility – A fully-equipped grooming salon including a 3-tub bathing room, a separate drying room, and a fully equipped separate room for finished grooming. Additionally, the Grooming School utilizes a large classroom and conference room for class discussions and lectures.

Event & Training Facility – A 12,000 sq. ft. Arena with air-cushioned rubber floor, a fenced outdoor training area, complete training equipment for dog activities and sports.

Kennel Facility – A state-of-the-art 75 run boarding kennel.

Daycare Facility – Over an acre of outdoor fenced yards and two separate nap rooms provide the facilities for the body language component of the curriculum. Averaging over 80 dogs a day, this division is a phenomenal laboratory for learning about canine body language, normal dog behavior and interaction.

The Puppy Place – A separate daycare for puppies between 8 and 20 weeks of age. A perfect environment for socialization, play, interaction and for puppies to learn housetraining, crate training, and so much more.
