All Dogs Gym & Inn

Completed in July 2002, All Dogs Gym & Inn is a 25,000 sq. ft. state-of-the-art dog activity and training center. All Dogs Academy is enormously proud of its facilities. Regardless of your interests in the pet care industry, All Dogs Gym is the place to learn. Students will enjoy and benefit from the following:

Training Facility – Unparalleled in the industry, our training academy utilizes a 12,000 sq. ft. Arena with air-cushioned rubber floor, a fenced outdoor training area, complete training equipment including agility obstacles as well as equipment for other dog sports. Students will learn comfortably in a large, classroom with audio-visual equipment for discussions, lectures and workshops.

Kennel Facility – A state-of-the-art 75 run boarding kennel.

Grooming Facility – A fully-equipped grooming salon and spa. For more information, see [Grooming Academy Facilities](#).

Daycare Facility – Over an acre of outdoor fenced yards, an indoor playroom, and two separate nap rooms provide the facilities for the body language component of the curriculum. Averaging over 70 dogs a day, this division is a phenomenal laboratory for learning about normal dog behavior and interaction.
